Attempted hours include those hours dropped, withdrawn and repeated under NFCC forgiveness policy which are fee liable. The only exceptions:

This is a special category status and is not an alternate form of admission for the career and technical or associate degree programs. Those applying for admission as senior citizens may register up to 4 credit hours per semester. Tuition is waived but the student is responsible for the purchase of textbooks, instructional materials, and other fees required for the course.

CANCELLED COURSES

The College reserves the right to cancel courses when necessary. Students will receive full refunds for cancelled courses.

COLLEGE CLOSING PROCEDURES FOR WEATHER EMERGENCY

The College switchboard will have its message modified, conditions permitting, to indicate the closing status. The Governor has created an Internet site that directs the public to shelter during a hurricane evacuation. The web address is www.floridadisaster.org.

If the College is not closed, but your area has emergency weather situations that may prevent you from attending class, you are advised to make your own decision concerning your safety. You are responsible for discussing the situation with your instructor to determine how to deal with the extenuating circumstances.

FIRST CLASS MEETING / ATTENDANCE REVIEW

You are expected to attend the first class meeting. All courses are monitored for regular attendance by students. Students who register for classes, but have not attended after the close of registration, will be withdrawn as a "no show." Students taking an on-line course must contact the instructor by the end of the first week of classes.

ENROLLMENT VERIFICATION

All student enrollment verification will be by official request only. Verification letters will not be provided until after the end of the drop/add period. Verification will be mailed approximately 2 working days from the date of the request. Students who need enrollment verification should make a written request directly to: Enrollment Services, North Florida Community College, 325 NW Turner Davis Drive, Madison, FL 32340. Faxed requests will be accepted. FAX: 850/973-1697.

WITHDRAWING FROM A CLASS

Students who officially withdraw from a class by the published deadline receive a "W" grade for the class. A "W" counts as an attempt. If you stop attending class without officially withdrawing, you will receive a grade of "WF". It is up to the student to initiate the withdrawal procedure. The Withdrawal Form must be completed and processed in the Registrar's Office to officially withdraw from a course. Students withdrawing from all courses must complete the Withdrawal Permit. The Withdrawal Permit is designed to document that the student has satisfied all obligations to the College.

SPECIAL INFORMATION FOR COLLEGE PREP STUDENTS

There are additional options for college prep students. In accordance with Florida law, students may use Adult Basic Education, Adult Secondary Education, or private provider instruction as an alternative to traditional college preparatory instruction. For information on these options, contact the Enrollment Services Office by calling 850/973-1612.
