<b>COURSE DESCRIPTION:</b> This is a 4 credit hour second semester course in Elementary Spanish, designed to be a continuation of SPN1120 at the college level or 2 years of High School Spanish. It provides a more complete foundation in the Spanish language, grammar and civilization. The aural-oral approach is emphasized through a variety of oral and written exercises using more extensive vocabulary, and more advanced grammar and verb tenses.		
<b>COURSE REQUIREMENTS/EVALUATIONS:</b> Students are required to attend class regularly and participate in the class by asking and answering questions. Students are required to come prepared by having reviewed both text and online materials in advance of each class. If a student's home online environment is inadequate it is the student's responsibility to complete all scheduled online assignments either on campus or at the public libraries having full internet capabilities. The textbook website is particularly useful in providing practice exercises and self-assessment tools. There are a number of short oral and written quizzes, all of which are announced in advance. Tests are generally given at the completion of a chapter, and consist of several parts, assessing listening comprehension, reading and writing skills. Homework is required on a daily basis even when no specific written assignment is assigned. Students are expected to work online regularly and complete and submit practice exercises from the abovementioned websites. This will facilitate the students' achievement of the course outcomes and will also count towards the homework/preparation portion of the grade. Semester grades are computed as follows: 20% final exam, 20% chapter tests, 20% oral participation and preparation, 15% oral presentations, 10% homework, 15% quizzes.		

**EXPECTED LEARNING OUTCOMES:**

1. Reading/Pronunciation: Students will be able to orally read level-appropriate texts with correct Spanish pronunciation.
2. Speaking/Reading Comprehension: Students will be able to summarize, in Spanish and in their own words, the meaning of the text read.
3. Listening Comprehension: Students will be able to converse with the instructor in Spanish using level-appropriate vocabulary and grammar.

**CLASS POLICY STATEMENT:**

**Testing Policy:** Students will be given 4 to 6 major tests during the semester, typically one after each chapter. There are no midterm exams and there are no unannounced quizzes, but there are several short quizzes or graded in-class assignments between chapter tests, both oral and written. It is my policy to drop the lowest test and the lowest quiz grades at the end of the semester before calculating the final grade.

**Turning in Assignments:** All assignments, both written and oral, must be presented on time. In the case of absence it is the student's responsibility to keep up with the assignments, either by contacting the instructor via phone or email, or by getting assignments from a reliable student, and to turn them in electronically as an email attachment or in person immediately upon his/her return to class. With appropriate medical documentation an exception may be made and work may be accepted late.

**Online Assignments:** All online assignments must be completed. If a student does not have access at home to adequate equipment/technology it is his/her responsibility to complete the assignment either at the NFCC Library or at the public library, both of which have full internet capabilities.

**Academic Honesty:** NFCC is committed to providing a high quality educational experience to all students and students are expected to follow appropriate and honest academic practices. A pamphlet discussing various types of academic dishonesty and specific penalties will be provided to all NFCC students, and is available at [www.nfcc.edu](http://www.nfcc.edu) in the student handbook. All cases of academic dishonesty will be reported to the Office of Academic Affairs.

**Attendance Policy:** NFCC requires regular and consistent attendance of all students. Students' grades may be affected or students may be withdrawn from class for nonattendance. Students are allowed two clock hours per credit hour of absence before the grade is affected. This includes excused absences as well as unexcused absences. This will typically equate to two week's worth of classes. For example:

- A three credit hour class meeting on TR or MW: 4 absences allowed
- A three credit hour class meeting on MWF: 6 absences allowed
- A three credit hour class meeting one night a week: 2 absences allowed

For additional information, see the attendance policy in the *NFCC College Catalog*.

### **STUDENTS/VISITORS: WHERE TO PARK ON CAMPUS**

Questions: Contact Campus Security at (850) 973-0280. Park in designated parking spaces only. Do not park on the grass or in undesignated areas. Faculty/Staff parking areas are to be used only by full and part-time employees of the college. Faculty and Staff parking spaces are lined in yellow and are clearly marked 'STAFF'. Students and Visitors can park in any spaces that are lined in White. **NOTE: Some visitor parking spaces are lined in yellow with the word 'Visitor' in the center. These are for visitors only. Students are not allowed to park in these spaces. Vehicles illegally parked will be towed at the owner's expense. Refer to catalog or student handbook for all other parking regulations.**

### **ENFORCEMENT**

If a vehicle is parked illegally anywhere on campus, the vehicle is subject to be towed at the owner's expense (\$85.00 +). An illegally parked vehicle will be given a **WARNING on the FIRST OFFENSE. There will be no second warning.** Illegally parked vehicles will be **TOWED ON THE SECOND OFFENSE**. Signs will be displayed near parking areas with the name and address of what company to contact if the vehicle is towed.

The company that tows the vehicle is an independent company contracted by North Florida Community College. The College has no authority to negotiate towing fees and is not in any way responsible for damage or liability to the vehicle or its contents. The company that provides the towing service is:

### **Campus Security**

The administration of NFCC diligently works to make the campus as safe as possible. The use of Security Officers security lights at strategic places, and locking buildings when not in use are just a few of the procedures in place. Students should always be alert and use normal precautionary measures at all times. Campus crime statistics are documented annually and available on page 48 of the 2009-10 catalog. Campus security can be contacted at 850-973-0280 from 7:30 am until 11:30pm for assistance while on campus with non-emergency security concerns. All emergency incidents should be reported directly to 911.

### **Americans with Disabilities Act**

NFCC is dedicated to the concept of equal opportunity. Students wishing modifications in class or on campus due to a disability may choose to inform the instructor at the beginning of the semester or contact the Office of Student Disability Services directly. Accommodations and modifications will be made after the student registers with the Office for Student Disability Services and provides appropriate documentation of disability. After the documentation is evaluated, the instructor may be involved in providing accommodations to equalize the student's educational experience. Please call Nancy Lillis (973-1661)(V), Lynn Waller (973-9462)(V) or Vickie Bosse' (973-1682)(V). The TTY number is 973-9611.

### **Student Email**

All NFCC students will be provided an email account through GoMail, and this will be the official email address used by faculty and staff for communication with students. Students can locate their GoMail address by logging into their MyNFCC InfoNetwork. Students are expected to check this email on a regular basis.

### **Student Ombudsman**

The Student Ombudsman provides confidential, informal, and neutral assistance to students seeking to resolve disputes or address issues of importance. The Student Ombudsman does **not** serve as a student *advocate*, but rather as a guide to assist students in the navigation of College organizational structure and understanding of policies and procedures. David Paulk is the current Student Ombudsman. He can be reached at 973-9418 or [paulkd@nfcc.edu](mailto:paulkd@nfcc.edu).
