EQUAL OPPORTUNITY

North Florida Community College is dedicated to the concept of equal opportunity and access. In accordance with Federal and State laws, and College policy, NFCC does not discriminate in any of its policies, procedures or practices on the basis of race, ethnicity, color, religion, sex, national origin, gender, age, disability, marital status, genetic information, pregnancy or any other characteristics protected by law. Inquiries regarding equity issues of any nature may be directed to Denise Bell, Equity Coordinator, 325 NW Turner Davis Drive, Madison, FL 32340. Telephone (850) 973-9481 or email equity@nfcc.edu.

TITLE IX / CLERY ACT

NFCC is dedicated to the concept of equal opportunity and access to all programs and activities. In accordance with federal and state laws, including

Title IX, NFCC does not discriminate in any of its programs and activities on the basis of age, color, gender, sex, religion, ethnicity, national origin, race, marital status, genetic information, physical or mental disability or any other characteristic protected by law. In accordance with Title IX, NFCC prohibits Sexual Misconduct (including sexual harassment and/or sexual violence) in its programs and activities.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC §1092) (Clery Act), as amended by the 2013 Violence Against Women Reauthorization Act (VAWA), requires that North Florida Community College (NFCC) prepare and publish an annual security report each year containing information related to crimes and certain offenses. NFCC's Annual Security Report includes statistics for crimes and certain offenses that occur in buildings and property that are part of NFCC's campus, NFCC's non-campus buildings and property, and public property within or immediately adjacent to and accessible from NFCC's campus.

STUDENT RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

FERPA affords students certain rights with respect to their educational records.

- The right to inspect and review the student's educational records
- The right to request the amendment of the student's educational records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights
- The right to file with the U.S. Department of Education a complaint concerning alleged failures by North Florida Community College to comply with the requirements of FERPA. Students may write to U.S. Department of Education, 600 Independence Ave. SW, Washington, D.C. 20203
- The right to obtain a copy of North Florida Community College's student record policy from the Office of the Registrar, North Florida Community College, 325 NW Turner Davis Drive, Madison, FL 32340

NOTIFICATION OF SOCIAL SECURITY CARD NUMBER COLLECTION & USE

North Florida Community College collects a student's social security number for use in performance of the College's duties and responsibilities for the following possible purposes: classification of accounts, identification and verification, credit worthiness, billing and payments, data collections, reconciliation, tracking, benefit processing, tax and scholarship reporting, financial aid processing, accreditation of programs, and reporting to authorized agencies of the state and federal government. Social security numbers are also used as a unique numeric identifier in certain cases and may be used for research purposes. Federal law requires that NFCC protect social security numbers from disclosure to unauthorized parties. Students and employees are assigned NFCC identification numbers to assist in protecting their identities. For more information, refer to the NFCC website or the College Catalog.

ADMISSIONS

Students must be admitted before they can register for courses. An application for admission must be on file for the program that a prospective student wishes to pursue. Programs with additional requirements include ADN-RN to BSN, Registered Nursing, Practical Nursing, Emergency Medical Technician, Paramedic, Medical Assisting, Commercial Vehicle Driving, Law Enforcement Basic Recruit, and Corrections Basic Recruit. Students with questions regarding admission should contact the Admissions Office at (850) 973-1622 or (850) 973-9405.

A new student must submit the following:

- Application for admission with the required \$20 nonrefundable application fee
- Application for admission with the required \$30 nonrefundable application fee for Bachelor of Science in Nursing
- Official transcript from the high school(s) and each previous college, university, or technical school attended
- Test scores (see placement testing information)

A returning student (student who has not attended NFCC for one year) must submit the following:

- Readmission Application (no fee required).
- Official transcripts from each college, university, or technical school previously attended since the student was last registered at NFCC.

TESTING

Placement Testing (PERT)
 Students entering college credit programs may be required to take a state-mandated post-secondary education readiness test. The College accepts scores on ACT, SAT, CPT, or PERT placement tests that are no more than two years old. Transfer students will have their transcripts evaluated to determine whether they will be required to take a placement test. Placement testing is available at the College. Advance registration for placement testing is required. Interested parties may contact the Testing Center at (850) 973-9451 or testing@nfcc.edu to schedule a test. A ten dollar (\$10) testing fee must be paid prior to testing if attending NFCC (\$35 if not attending NFCC). This fee is required for both first-time testing and re-takes. If any special accommodations are required, interested parties with appropriate documentation should contact the Disability Resource Center at least two weeks prior to testing. Call (850) 973-1683 or (850) 973-1611 (TTY).

Authorization for Placement Testing Exemption

A student who entered 9th grade in a Florida public school in 2003-2004 school year, or any year thereafter, and earned a Florida standard high school diploma or a student who is serving as an active duty member of any branch of the United States Armed Services meets the exemption criteria for common placement testing and enrollment in developmental education instruction as defined in Florida Statute 1008.30. Students that meet the exemption criteria may opt to be assessed and enroll in Developmental Education courses.

Test of Adult Basic Education (TABE)

Students enrolling in Career and Technical Certificate programs may be required to undergo a skill assessment process utilizing the Test of Adult Basic Education (TABE) which is conducted either before enrollment or within the first

six weeks of enrollment. For specific test score or test requirements, see program description. TABE testing is available at NFCC. Advance registration for testing is required. Interested parties should contact the Testing Center at (850) 973-9451 or testing@nfcc.edu to schedule a test. The ten dollar (\$10) testing fee must be paid prior to testing. This fee is required for both first time testing and re-takes. If any special accommodations are required, interested parties with appropriate documentation should contact the Disability Resource Center at least two weeks prior to testing. Call (850) 973-1683 or (850) 973-1611 (TTY).

Criminal Justice Basic Abilities Test (CJ-BAT)

The Florida Basic Abilities Test (CJ-BAT) is a requirement for entry into the basic recruit training programs, including Law Enforcement and Corrections. For more information, interested parties should contact the Public Safety Academy at (850) 973-1617. To schedule an exam, interested parties should telephone (850) 973-9451 or (850) 973-1665.

DEVELOPMENTAL EDUCATION

Florida State Board of Education Rule 6A-10.0315 requires students to demonstrate readiness to perform college-level work by achieving or exceeding test scores on an approved common placement test (ACT, SAT, PERT, CPT). Test scores are valid for two years. A student whose scores indicate a need for developmental education will be advised of all the developmental education options offered and shall be allowed to enroll in the developmental education option of his/her choice. Based on Section 1008.30, Florida Statutes, students may meet the criteria for an exemption from common placement testing and developmental education instruction. However, a student who meets the exemption criteria may opt to test and enroll in Developmental Education courses. For more information, interested parties should contact an academic advisor.

TECHNOLOGY ACCESS

NFCC online learning tools are available on the MyNFCC portal. To access the portal, students should click the MyNFCC link at the top of the NFCC website (<http://www.nfcc.edu>) or type the following URL into the Internet address bar: <https://my.nfcc.edu>. When accessing the portal for the first time, click the "First Time User" link and follow the instructions to set up a student account. From the landing page, click the icon to gain access.

Desire2Learn (D2L)

Desire2Learn is the learning management system that houses NFCC's online and supplemented face-to-face courses. Once logged into D2L, students will see their course(s) listed under "My Courses." Click the name of the course to begin.

GoMail

GoMail is the official email communication tool for NFCC. Each student is assigned his/her GoMail address and is responsible for all information conveyed to the student via this account.

MyNFCC INFORMATION NETWORK

MyNFCC's Information Network is a self-serve database that allows students to register for classes, view grades, pay tuition and fees and check financial aid status.

Degree Works

Degree Works allows students direct access to degree audits to track their progress toward completing their degree. Students can plan their class schedules, perform "What If" scenarios, see their grades, GPA and much more.

e2Campus

To inform students of current campus emergencies, NFCC uses e2campus, an emergency alert system that sends students text messages or emails should a campus-wide emergency occur or should campus close due to inclement

SPRING 2019 TUITION & FEES

***TUITION AND FEES ARE SUBJECT TO CHANGE**

	IN-STATE (RESIDENT)	OUT-OF-STATE (NON-RESIDENT)
COLLEGE CREDIT (A&P, PSV, COLLEGE PREP)	\$ 99.80 SEMESTER HOUR	\$ 396.30 SEMESTER HOUR

SCIENCE LABORATORY FEES:	\$ 35.00	
ACCESS FEE:	\$ 2.00 PER CREDIT HOUR IN ADDITION TO TUITION	
PSAV ACTIVITY FEE:	\$ 5.00 PER ACADEMIC YEAR	

weather. Registration for this service takes only a few minutes. Students should create an account at <http://www.e2campus.com/my/nfcc> (links to the site are also available in D2L and under the "MyNFCC" link on the NFCC homepage). After a student creates his/her account, a validation code will be texted to his/her cellphone. The student's account will not be activated until the student logs in to e2Campus and inputs the validation code.

FEE PAYMENT

A student on any type of financial aid should contact the following:

Financial Aid: The Office of Financial Aid is responsible for financial aid information. Call (850) 973-1621.

Veterans Educational Benefits:

Students who will receive Veterans Educational Benefits should contact VA Coordinator Lori Pleasant, (850) 973-9469, prior to completing registration.

Third Party Billing: Karen Surles, Office of Financial Aid, is responsible for processing all third party information. Call (850) 973-1674.

REFUND POLICY

Refund of tuition and fees is based upon the regulations listed below. A registered student must officially drop a course or officially withdraw from the College to receive a refund of fees. Students officially withdrawing no later than the "Last day to drop and receive a refund" (see Academic Calendar) are eligible for refund of fees as follows:

- Refund of 100 percent of matriculation and tuition fees when a class is canceled by the College.
- Refund of 100 percent of matriculation and tuition fees when a student withdraws from or drops a course before the last day to drop classes and receive a refund. After this date, no refunds will be made for course withdrawals.

Before refunds are disbursed, outstanding indebtedness to the College must be paid.

In cases of extreme personal or family hardship, or in cases involving other extenuating circumstances, the Dean of Enrollment and Student Services may waive the above regulations.

FEES FOR RETAKING COURSES

Section 240.124, Florida Statutes, mandates that (as of Fall 1997) each student attempting the same non-repeatable undergraduate course more

than twice beginning with Fall 1997 shall be assessed an additional per credit hour surcharge beginning with the third attempt. Attempted hours include hours that have been dropped, withdrawn from, or repeated under NFCC forgiveness policy. Exceptions include any course taken prior to Fall 1997, attempts taken at an institution other than NFCC and any non-fee-labile course dropped or withdrawn.

Out-of-state fees are assessed to individuals upon a third attempt to satisfactorily complete a course that is not designated as a repeatable course in the College Catalog and Course Schedule. The additional tuition and fees may be waived by the Dean of Academic Affairs. To apply for consideration for a waiver of the additional fees that are assessed on a third attempt, the student must submit the following:

- Petition for Exemption from Full Cost of Instruction form
- Letter addressed to the Dean of Academic Affairs explaining circumstances of previous failed attempts and how circumstances differ for the requested 3rd attempt
- Copy of student's academic transcript
- Completed student schedule planner

The petition packet must be submitted and approved by the end of the drop/add period for the term in which the student would like to attempt the course. A fourth attempt may be allowed only through an academic appeals process based on major extenuating circumstances. Contact the Office of Enrollment Services for more information.

TUITION-FREE COURSES FOR THOSE 65 YEARS OF AGE AND OLDER

Interested parties 65 years of age or older may apply for admission as senior citizens. The admission requirements applicable to students under this category include the completion of an application as non-degree seeking/senior citizen and payment of the one-time \$20.00 application fee. This is a special category status and is not an alternate form of admission for Career and Technical Education programs or associate degree programs. Those applying for admission as senior citizens may register up to four (4) credit hours per semester. No academic credit shall be awarded for attendance in classes for which fees are waived for students in this category. This privilege may be granted only on a space-available basis. Registration takes place on the first day of classes for any given term. Tuition is waived, but the student is responsible for the purchase of textbooks, instructional materials, and other fees required for the course.

STATE EMPLOYEE FEE WAIVERS

The admission requirements applicable to students under this category include the completion of an application and payment of the one-time \$20.00 application fee. A student with a State Employee Fee Waiver may enroll for up to 6 credit hours of courses per term on a space-available basis. Registration takes place on the first day of classes for any given term. Tuition is waived, but the student is responsible for the purchase of textbooks, instructional materials, and other fees required for the course. Students must submit their approved state waiver form to the NFCC Office of Financial Aid before the published deadline to pay tuition and fees.

CANCELED COURSES

The College reserves the right to cancel courses when necessary. Students will receive full refunds for canceled courses.

COLLEGE CLOSING PROCEDURES FOR WEATHER EMERGENCY

In addition to the e2Campus emergency alert system that notifies participants through email or texts of campus closings, the College switchboard message will be modified, conditions permitting, to indicate the closing status. The Governor has created an Internet site that directs the public to shelter during a hurricane evacuation. The web address is www.floridadisaster.org. If the College is not closed but a student's area has emergency weather situations that may prevent the student from attending class, the student is advised to make the decision concerning safety. Students are responsible for discussing the situation with their instructors to determine how to deal with the extenuating circumstances.

FIRST CLASS MEETING / ATTENDANCE REVIEW

A student is expected to attend the first class meeting of each course for which he/she is registered. All courses are monitored for regular student attendance. Any student who registers for classes but has not attended after the first week of classes will be withdrawn as a "no show."

ENROLLMENT VERIFICATION

All student enrollment verification will be by official request only. Verification letters will not be provided until after the end of the class roll verification period. Students who need enrollment verification should make a written request directly to Enrollment Services, North Florida Community College, 325 NW Turner Davis Drive, Madison, FL 32340. Written requests may also be faxed to (850) 973-1697.

WITHDRAWING FROM A CLASS

Students who officially withdraw from a class by the published deadline receive a “W” grade for the class. A “W” counts as an attempt. The student must initiate the withdrawal procedure. The Withdrawal Form must be completed and processed in the Registrar’s Office in order for a student to officially withdraw from a course. A student withdrawing from all courses must complete the Withdrawal Permit. The Withdrawal Permit is designed to document that the student has satisfied all obligations to the College. If a student stops attending class without officially withdrawing, he/ she will receive a grade of “WF.”

EXCESS HOURS ADVISORY STATEMENT

Section 1009.286, Florida Statutes, establishes an “excess hour” surcharge for a student seeking a bachelor’s degree at a state university. It is critical that students entering Florida Colleges are aware of the potential for additional course fees. “Excess hours” are defined as hours that go beyond 110% of the hours required for a bachelor’s degree program. For example, if the length of the bachelor’s program is 120 credit hours, the student may be subject to an excess hour surcharge for any credits attempted beyond 132 credit hours (110% x 120 = 132). All students whose educational plan may include earning a bachelor’s degree should make every effort to enroll in and successfully complete on their first attempt those courses required for their intended major. Florida College System students intending to transfer to a state university should identify a major or “transfer program” early and, by the time the student earns 30 semester hours of

college credit, be advised of admission requirements for that program, including the approved common prerequisites. Course withdrawals and/or repeats, as well as enrollment in courses non-essential to the intended major, may contribute to a potential excess hour surcharge.

GRADUATION

Students must apply in writing for graduation. Graduation applications are available in the Registrar’s Office. In order to receive a diploma or certificate, students must complete a graduation application even if they do not desire to participate in the commencement ceremony. See the Academic Calendar for deadlines concerning graduation.

TEXTBOOK/COURSE MATERIALS

All required textbooks and course materials are listed in the Virtual Bookstore tab on NFCC’s homepage. Textbooks and course materials purchased through eCampus, NFCC’s only contracted vendor, can be charged against a student’s financial aid account. Textbooks and course materials may also be purchased from any other source with the understanding that these non-eCampus purchases cannot be charged against a student’s financial aid account.

USED BOOK PURCHASES

Students should check the eCampus book list found in the Virtual Bookstore tab on NFCC’s homepage for correct titles and editions. Note: The ISBN listed in eCampus may include both the required text and a required access code. When considering purchasing used books, students should be sure the purchase includes the ACCESS CODE in courses where required. If not, the access code must be purchased separately at an additional cost.

VIRTUAL BOOKSTORE

BEFORE beginning the order process, a student should have the following information:

- A copy of the student’s Class Schedule with course name/course number and instructor name.
- The student’s GoMail address.
- The student’s eight digit date of birth (MMDDYYYY). For example, the eight-digit birthdate of a student born January 3, 1977, is 01031977.

A student is considered a “Returning Customer” when the student enters the Virtual Bookstore. When asked to select “Express Checkout” or “Returning Customer,” the student should select “Returning Customer” and provide the requested information to sign in and continue.

Payment for textbooks

- Financial Aid - Financial Aid award funds are loaded into registered students’ eCampus Customer Accounts at the end of each business day.
- Third Party Billing - The student must take the student’s award letter or voucher to the NFCC Financial Aid Office prior to ordering the student’s books. The student’s award money will be loaded into the student’s eCampus Customer Credit Account.
- Cash on Account - A student may bring cash or check to the NFCC Business Office prior to ordering books. The student’s money is then loaded into the student’s eCampus Customer Credit Account.
- Credit Card - A student can purchase books through eCampus using a personal credit card.

TGIF COURSES

Students who register for two or more TGIF classes during Spring 2019 will be granted a scholarship toward the cost of tuition. The scholarship will be \$150 for students who take two TGIF classes. For students who take three of these classes, the scholarship amount will equal three credit hours of tuition. This scholarship will be awarded with no requirement for repayment if the student completes all of his or her TGIF courses during this term. In the event a recipient of this scholarship stops attending or withdraws from the courses, he or she will be responsible for repaying the scholarship amount. Exceptions will be made for extenuating circumstances. It is the responsibility of each student wishing to participate in this program to notify the Office of Financial Aid when registration is complete and fees are assessed so that the scholarship funds can be applied.
